

The VCBC Trailer is parked at HELP of Ojai and it's full of Biodiesel!

We must raise \$15,000 to pay for the complete installation. Kent Bullard of SOCALBUG bought the trailer and is out of pocket for this. Let's help Kent and make this a community purchase! We've raised \$4,500 so far. Please make a donation today.

Sponsors can get their name or logo on the trailer
The larger the contribution, the larger the letter!

Donations are tax deductible and should be made to SOCALBUG, the Southern California Biodiesel Users Group, a 501(c) 3 non-profit corporation which owns the trailer and leases it to VC Biodiesel Coop members.

For further information, please contact Topher Blunt at (805) 643-3900, or via email: info@vcbiodiesel.org
You can download a copy of the donation form on our website
